

# EM 6/8/10 Multi-Profile Seamless Siding Machine

When you need more options, use the EM 6/8/10 Multi-Profile Seamless Siding Machine for the job. Make multiple profiles and widths with the standard machine package, and purchase additional attachments for even more flexibility with the same machine. This machine features our self-contained embossing system that applies a natural woodgrain texture to the finished siding, adding strength and beauty.

## HORIZONTAL 6-, 8-, & 10-INCH PROFILES *(included with the machine)*

Horizontal 6", 8", and 10"

## OPTIONAL PROFILE ATTACHMENTS

Double 3", 4", and 5"

Double Dutch 4" and 5"

Dutch Lap 6", 8", and 10"

Colonial Dutch 4" and 5"

Board and Batten 6", 8", and 10"

Half Board and Batten 4" and 5"

Inverted Board and Batten 5"

Beaded Horizontal 6", 8", and 10"

Beaded Dutch 6", 8", and 10"

Plank 6" and 8"

T1-11
